TOWN WARRANT**The State of New Hampshire**

To the Inhabitants of the Town of Barnstead in the County of Belknap in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Barnstead on Tuesday, the 7th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To take the sense of the qualified voters whether the amendment of the Constitution proposed by the 1971 session of the General Court shall be approved.

4. To see if the Town will raise and appropriate the sum of Thirty-Six Thousand dollars (\$36,000) for the construction of a fire house and ambulance garage on land located in Barnstead and owned by the Center Barnstead Fire Company, Inc.; and authorize the issuance of bonds of the Town in said amount for said purpose; and authorize and direct the Selectmen to enter into a contract with the Center Barnstead Fire Company, Inc. for the sale of said public building to the Center Barnstead Fire Company, Inc. providing for payment by the Center Barnstead Fire Company, Inc. of the full cost of said building, payment to be made in installments and at such times so that on the due date of any payment by the Town of the bonds hereby authorized and the interest thereon the Town will have received sufficient payment from the Center Barnstead Fire Company, Inc. to pay therefrom any bond and interest payment due; and authorize and direct the Selectmen to convey said building to said Center Barnstead Fire Company, Inc. upon payment of the full cost including interest of the same; and authorize and direct the Selectmen to permit the Center Barnstead Fire Company, Inc. to use and maintain said building so long as it is not in default of the terms of the contract to purchase.

5. To see if the Town will accept a gift from the Center Barnstead Fire Company, Inc. in the amount of ten thousand dollars (\$10,000) to be held in trust by the Trustees of the Trust Funds and to be paid out by them upon order of the Selectmen to help defray the cost of the construction by the Town of a firehouse and ambulance garage upon the balance of the cost of such construction being raised and appropriated by the Town.

6. To see if the Town will vote to have the Town revalued by the New Hampshire State Tax Commission.

7. To see if the Town will vote to spend one thousand dollars (\$1,000) on a matching fund basis on the road behind Half Moon pond, from John Lockes to Camp Winnicowett.

8. To see if the Town will vote to sell the 3 acres, Walker Place, for one dollar (\$1.00) to Charles Woolett and to see if the Town will buy the 10-acre Albert Emerson meadow on Crooked-Run, from Charles Woolett for the sum of one dollar (\$1.00).

9. To see if the Town will vote to sell the 4-acre Otis Anderson lot, and the Chesley Meadow in the Locke Lake Corp. for the sum of one dollar (\$1.00) to Locke Lake Corp. and to see if the Town will buy the Cecil Downes lot in Cilley Meadow, for the sum of one dollar (\$1.00) from Locke Lake Corp. with Locke Lake Corp. reserving the timber rights.

10. To see if the Town will set aside permanently the 10-acre Albert Emerson Lot in Crooked-Run, for conservation purposes.

11. To see if the Town will set aside permanently the 6-acre Frank Halliday lot on Crooked-Run, for conservation purposes.

13. To see if the Town will set aside permanently the 10-acre Prime Meadow on Crooked-Run, for conservation purposes.

14. To see if the Town will set aside permanently the 9-acre John E. Bunker lot on Crooked-Run for conservation purposes.

15. To see if the Town will set aside permanently the 16-acre George & Sewell Cilley lot on Crooked-Run, for conservation purposes.

16. To see if the Town will set aside permanently the 20-acre Frank S. Nutter meadow on Brindle pond for conservation purposes.

17. To see if the Town will vote to give the Conservation Commission, the right to manage the above lots for conservation.

18. To see if the Town will vote to raise and appropriate a sum of money in the amount necessary to purchase the Old Shop (so-called) from Mr. Guy Clark. The purchase of said building with water rights will give the Town an opportunity to improve the beauty of the area, and will give a potential for construction of a small skating, fishing, and possible swimming pond for the community.

19. To see if the Town will vote to act on the following petition: The Selectmen of said Town are hereby petitioned, pursuant to New Hampshire Revised Statutes Annotated, Chapter 234, Section 1, to lay out highways in Locke Lake Colony, as presently improved by the Locke Development Corporation, along the courses and for the distances more particularly set forth on the following plans of records in Belknap County.

Plan of Locke Lake Colony, Belknap County Records

Approximate

20. To see if the Town will vote to adopt the policy of Absentee Voting in the Annual Town Meeting as set forth in Part 1, Article 11 of the Constitution of New Hampshire, and in accordance with the New Hampshire Election Laws. If this request is voted in the affirmative, the Selectmen shall be responsible to implement the proper procedures, and present such request to the General Court to provide by law: Absentee Voting in Annual Town Meetings to be holding in the Town of Barnstead, N.H.

21. To see if the Town will appoint Attorney Willard Martin from the firm of Nighswander, Lord and Martin as the acknowledged Town Council.

22. To see if the Town will advise the Town Conservation Committee of their sentiment as to, turning over for administration by the Conservation Committee:

- (1) All land now owned by the Town.
- (2) All land in the future that would because of tax delinquency be ordered to be sold by the Board of Selectmen.

This action is in no way binding on the Town but would merely serve to advise the Town Conservation Committee as to the value of preparing a detailed land description for presentation at a later date.

Given under our hands and seal, this second day of February, in the year of our Lord nineteen hundred and seventy-two.

21. To see if the Town will vote to prohibit the establishment of permanent mobile home parks, or trailer parks, and/or any additions to trailer parks already established within the said Town of Barnstead.

22. To see if the Town will vote on the following two questions as printed at the bottom of the official ballot for Town Meeting:

Are you in favor of abolishing the Planning Board, and the Board of Adjustment in the Town of Barnstead?

Yes ☐ No ☐

23. To see if the Town will vote to accept the following Trust Fund. (The sum of \$200.00 from Rexford E. Wheat, the income to be used for the perpetual care of the lot of Abbie A., and Bessie W. Wheat located in the Riverview Cemetery, Barnstead, N.H.)

AUDITOR'S REPORT

January 26, 1972

We, the undersigned Auditors for the Town of Barnstead, N.H. certify that we have examined and audited the accounts of the Selectmen, Treasurer, Tax Collector, Library Trustees, Road Agent and Trustee of Trust Funds for the year ended December 31, 1971 and find them correct, properly cast, balanced and vouched except for the following.

One motor vehicle permit, issued for \$56.38, reported as \$36.38, and dog license issued in the amount of \$2.00 not paid to Treasurer.

Respectfully submitted,

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.
4. Most important — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

State	—	463 fires	160 acres
District	—	37 fires	27 acres
Town	—	0 fires	0 acres

IVAN E. SCRANTON,
District Chief

GEORGE R. COTTON,
Forest Fire Warden

STATE REPRESENTATIVE'S REPORT

Barnstead - Gilmanton District #6

Dear Barnstead Residents:

This report will not attempt to cover all activity of the past year as a more detailed report will be sent to you at a later date.

Committee Assignment

At the beginning of the last session I was appointed Majority Leader of the House of Representatives. The additional responsibilities of this position include introduction and assignment of bills, speaking for major legislative proposals, steering major legislation proposals through the House and occasionally presiding over the House in the absence of the Speaker and as chairman of the Rules Committee. There are many other administrative duties that go with the position that are complicated with such a large legislative body (the third largest in the English speaking world).

Public Works and Highways

The request for an access to Brindle Pond was granted by the Governor and Council on November 24, 1971. This will allow for a public access to Brindle Pond and acquisition of land is completed and construction should start sometime in the beginning of the summer. Many residents of the town have requested that I introduce legislation to limit the types of boats allowed in this natural wildlife area. When I do, I will have the bill referred to a special committee which will hold a public hearing in the Town of Barnstead. Your opinions on this legislation will be most helpful in writing this legislation.

In the past I have been meeting with highway officials to follow up requests for betterment projects and resurfacing for state highways within the Town of Barnstead. Of those requested, Route 126 has been resurfaced and at a later date state highway officials will be asked to reopen their study of extending Route 28 betterment toward Alton. As of this date, improvement of this section of Route 28 is not scheduled. From time to time I have met with highway officials to point out the need for upgrading any unusually poor section of highway and correcting any particularly dangerous condition on roads within the district.

By request of your representative, the highway department has erected additional highway safety signs within the town.

Barnstead has been successful in obtaining rights of way to public waters and I have reason to believe that there will be other petition request for rights of way to public waters within Barnstead.

Law Enforcement

On October 6, 1971, the Belknap County Delegation voted unanimously to match the Governor's Commission on Crime and Delinquency grant. By authorizing this expenditure, the Barnstead Police Department will receive a 90 watt 4 frequency radio and a 45 watt portable 4 frequency. This grant is designed to improve local, county and state police radio systems.

Extended Long Distance Service

At the request of many Barnstead residents I have arranged for a public information meeting to have members of the Public Utilities Commission, officials from the Union Telephone Company and representatives from the New England Telephone Company come to Barnstead and explain to Barnstead residents this toll free system with the Pittsfield exchange. The Gilmanton Iron Works exchange voted last fall to accept their proposal and they will be enjoying toll free service to contiguous telephone exchanges.

Constituent Opinions

For the past five years I have sent out questionnaires asking for your opinion about major legislative proposals. While the printing and mailing is a personal expense for me, I believe it most important in order to make complicated and controversial decisions. Legislative scheduling and many committee amendments make it impossible to send the questionnaire far in advance and your quick response when you receive the questionnaire is appreciated as this gives me time to evaluate the returns.

Your requests and inquiries about state government operations and legislation are always welcome and you can generally contact me at my home number 267-8151 or at the State House at 271-3661 or 3662, or write me at Meeting House Road, Gilmanton Iron Works, New Hampshire or Room 312, State House, Concord, N.H.

Sincerely yours,

GEORGE B. ROBERTS, JR.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of the Barnstead School District, I respectfully submit my sixth annual report as your superintendent of schools.

The support and dedication of the Barnstead voters is being realized as we all witness the bricks and mortar shaping into the fine addition which was approved last year. It is very heart-warming to see the efforts of so many people become a reality. If everything goes as now planned, it may be possible to hold the graduation exercises this year in the new multi-purpose room.

All of the problems have not been solved. The bid for the construction was higher than estimated by approximately \$17,000.00. This means it may not be possible to completely equip the kitchen unless federal assistance can be obtained. Application has been made but no indication of approval has been received at this time.

The proceeds of the bond issue have been invested in certificates of deposit and an investment savings account in order to obtain some interest. Whatever amounts are earned will be applied toward the new addition.

I am very pleased with having seven of the eight staff members return to Barnstead this year. It is already possible to see the positive effect this has had on the students and the total operation of the school. Richard Check, principal, has not only returned, but has also located his family in Barnstead which reflects his total interest and dedication to the education of your youth. I am sure you feel as I do in that Mr. Check has done an extremely fine job.

Last year my annual report indicated four immediate concerns affecting the Barnstead School. The first was the need to teach elementary school physical education. This standard will now be improved by having the ability to continue the teacher-taught physical education in the multi-purpose room, regardless of the weather outside.

The second new standard for elementary schools was to provide library services for all children. The third concern was to have a library at least the size of a regular classroom. Both of these will be achieved through the development of a new centralized school library available for all the students. The shelves may appear a little empty to start with but books and references will be added annually until we have the minimum requirement of 6,000 books.

The last New Hampshire State Board of Education Minimum Elementary School Standards reported last year was the requirement of employing an elementary school principal who will have at least one-half of his time scheduled for supervision of instruction and other leadership responsibilities. The proposed budget for 1972-73 will make this possible.

The positive attitude of the voters in meeting these new standards is to be commended. The school, with the four-room addition, multi-purpose room, and kitchen is half again as large as the present building. The stage in the multi-purpose room should make it possible to have some community enrichment programs available to the general public.

As to future needs, it will be necessary to consider establishing a public school kindergarten program; extended art, music, and physical education programs; and the feasibility of industrial arts and home economics experiences for the junior high school student. There may also be some interest in offering foreign languages to this same age group.

There will not be a report of the assistant superintendent of schools this year since the position was vacated late in August. Mr. Elton Knowles, newly appointed assistant assumed his duties in mid-December and the results of his endeavors will be reported in the next annual report.

I want to express sincere appreciation to the parents, businessmen, citizens, and especially the members of the School Board for their continued understanding and interest in the educational programs of Barnstead and her youth.

Respectfully submitted,

DAMON A. RUSSELL
Superintendent of Schools

BARNSTEAD ELEMENTARY SCHOOL**Center Barnstead, N.H.**

To the School Board, the Superintendent of Schools and the citizens of Barnstead, it is with great pleasure that I submit this my second annual report as Principal of the Barnstead Elementary School.

With the end of the 1970-71 school year, Barnstead saw the end of a very successful year and witnessed the graduation of 19 eighth graders to the various high schools in the area.

The 1971 school year is well under way and we are indeed fortunate to have all but one staff member return. Filling this vacancy is Arthur Tuttle, seventh and eighth grade, English and social studies teacher. Experience is a key factor in fine education and it is experience that accents this fine staff.

New spelling and music programs were implemented after an extensive study by a committee of Supervisory Union teachers. A similar study for science is presently in progress with implementation slated for the 1972-73 school year.

The total enrollment reached a high of 173 in November, 1971. As the enrollment grows and as we try to give the children of Barnstead a superior education, we are made aware of three basic needs. These needs are the improvement of the junior high school curriculum, remedial reading and counselling.

With the passage of the bond issue for the school addition, Barnstead is witness to the new construction which will greatly improve the school and the town. The completion date is set for April 1, 1972, for the four new classrooms, multi-purpose room, kitchen, library and new office.

I wish to express my appreciation to the Superintendent of Schools, the members of the School Board, the citizens of Barnstead, and my fellow teachers for their support and cooperation.

Respectfully submitted,

RICHARD A. CHECK
Principal
